

Queen's collection

Limited
Edition

To celebrate the 80th birthday of Her Majesty Queen Elizabeth II our talented artist Stuart Clark has worked on a portrait for use on collectable pieces of lithographed bone china.

We wrote to Her Majesty for permission to use the illustration. An exciting response was received by letter from Buckingham Palace on the 28th February 2006, stating "Thank you for your letter requesting permission to use a depiction of The Queen by one of your talented artists. Her Majesty has no objection to you using this image and your great support for The Royal Family is greatly appreciated".

We are pleased to have created this limited edition, boxed with a certificate of authenticity of 100 of each of Sparrow Beak Creamer, Coaster, Mug and Trinket Box for you to collect.
